

1.

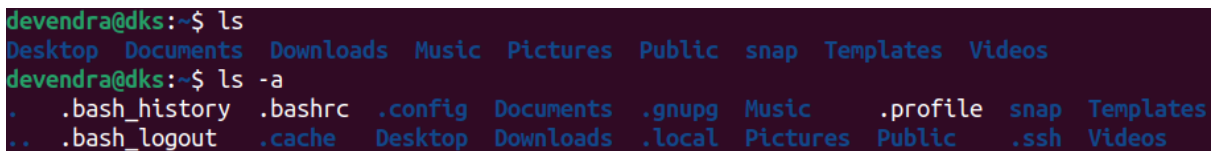

2.

3.

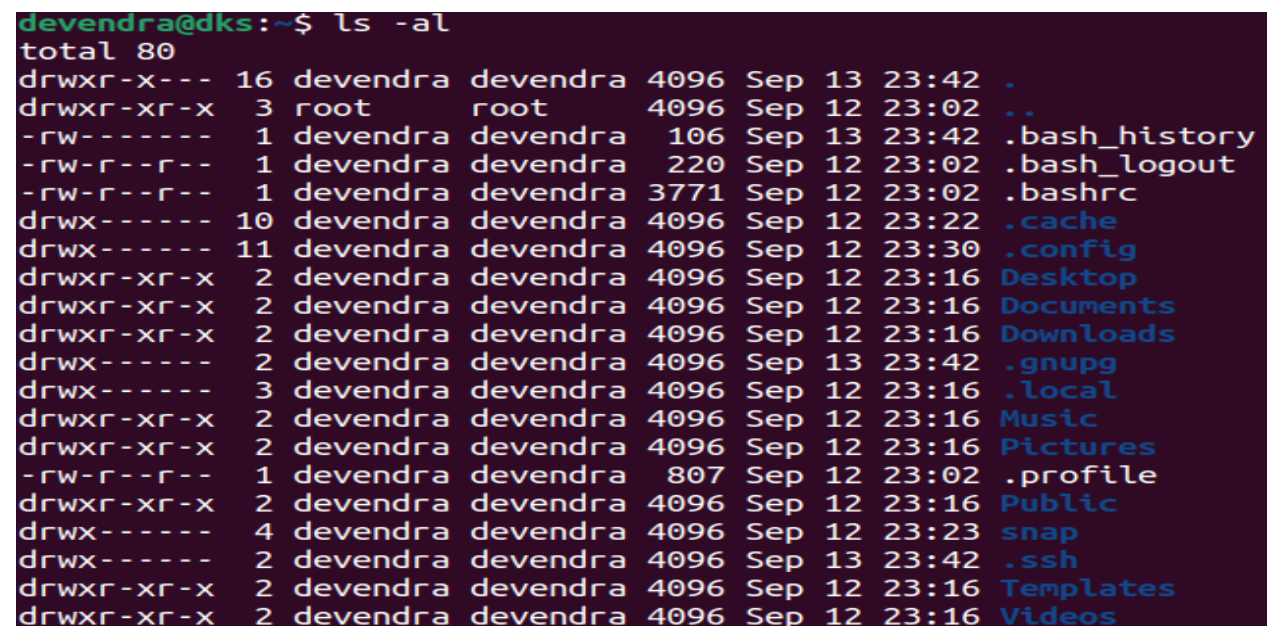

4.1

While using ls command it shows all the regular files and directories

When we are using ls -a , it shows all directories including hidden files

4.2 4096 max size

5. Unable to get it

```
6.1 devendra@dks:~$ mkdir Projects
devendra@dks:~$ mkdir Projects/graphs
devendra@dks:~$ cd Projects
devendra@dks:~/Projects$ pwd
/home/devendra/Projects
devendra@dks:~/Projects$ cd reports
```

```
devendra@dks:~/Projects/reports$ pwd
/home/devendra/Projects/reports
devendra@dks:~/Projects/reports$ mkdir ../Backups
```

```
6.2 devendra@dks:~/Projects/reports$ cd
devendra@dks:~$ ls -l
